MUN Team University of Zurich

I. Appliance and Precondition

1. The Code of Conduct¹ for the MUN Team University of Zurich² applies to all its members³.
2. Team members agree to the following as a precondition of participation in the association's activities:
 - a) Delegates represent the association and thereby its reputation. Their behavior has to be tailored to this accountability.
 - b) Any form of disrespectful behavior towards people or material, alcohol abuse and further actions of misconduct shall not be tolerated. Delegates may not embark on any action amounting to sexual harassment.

II. National and International Conferences

3. Members joining a delegation to a conference are to respect deadlines imposed on them during the preparation process. They are responsible for a timely submission of the requested material (e.g. personal information, position papers) and expected to participate actively in all preparatory events.
4. Delegates are advised to announce a cancellation of their participation as early as possible both to the head of the delegation and the Chief Headdelegate. In case a binding reservation for the delegation, e.g. for travel or accommodation, has been already made prior to the notification by the delegate, he or she is obliged to pay the full share of costs.

III. Final Notes

5. The MUN Team University of Zurich declines any responsibility for its members' behavior. Each delegate is responsible for his or her own individual actions and neither the Team, nor its Executive Board, will take over any kind of liability.
6. Breaches of this Code will be discussed by the Executive Board and may lead to the exclusion of delegations or the association.
